## Migratory Game Bird Season Opens Saturday, Sept. 19th

The season for hunting migratory birds such as ducks, geese (except Ross Geese), rails and coots in Alberta, will open on Saturday, September 19th, one-half an hour before sunrise and will continue (except Sundays), until sunset on Saturday, November 28th.

The bag limit has been set for no more than seven ducks, five geese and a total of ten rails and coots per day.

Reports have it that the ducks in the district have been doing extensive damage to several of the farmer's swathed crops. Several special permits have been released for the pre-season hunting of these profit eaters.

The season for hunting the ring-necked pheasant will open and continue each day (except Sundays) from October 17th to October 31st, and from November 9th to November 28th, through out the province.

The ring-necked cock pheasant may be hunted from 8 a.m. to one-half an hour after sunset and the hunter shall not kill in any one day more than three birds.

The Hungarian Partridge and Prairie Chicken season will also open on October 17th and continue through (except Sundays) until November 28th. The bag limit for each hunter has been set at no more than five birds of each species.

A bird game license which will cover the hunting of the above mentioned birds, and others that have not been mentioned, will cost residents of Alberta \$2.50 and non residents outside of Canada, \$25. This license is to be carried by the hunter and must be presentable to any Game Officer at any time.

A Brownie Leader is urgently needed; a cordial invitation is extended to anyone interested in this work.

## WESTERDALE NEWS

(From Our Own Correspondent)

The September meeting of the Willing Workers was held at the home of Mrs. W. Jones last Wednesday afternoon with ten members present.

Roll call was answered with an original poem. Mrs. W. Herbert reported that the bid placed on the Westerdale school by the organization had been accepted by the Olds School Division.

It was decided to attempt to hold a bake sale in Olds and Didsbury to aid in raising funds for the moving of the school from Sundre to the Community grounds.

Mrs. Pat Mahoney was in charge of the bit of fun which was won by Mrs. W. Herbert and Mrs. H. Jackson. The ten hottest prize was won by Mrs. D. Herbert.

Mr. and Mrs. W. Herbert motored to Red Deer on Monday.

Mr. and Mrs. E. P. (Sam) Jackson have their baby daughter home, after being in hospital since birth. Mr. A. Jones resumed work at Sundre on Monday, after being home for two weeks.

## LONE PINE W.I. HOLD REGULAR MEETING

The Lone Pine W.I. met at the home of Mrs. George Underhay on September 9th at 8:30 p.m. with 14 members and two visitors present.

Roll call was answered with suggestions for school or field lunches. \$1.50 was turned in for two cook books.

A halloween party was planned for husbands and children at the Lone Pine hall on October 31st. Each member to be responsible for an item of entertainment.

A dance is being planned for the month of November. Lunch will be served by this group at Albert Milne's sale on October 16th.

Mrs. Ken Wood spoke on Citizenship and Mrs. George Clarke gave her paper on Civil Defence and Health.

Bit of fun was given by Mrs. G. Clarke and won by Mrs. Ron Milne. The ten cent draw netted \$1.65 and was won by Mrs. Jack Underhay.

The next meeting will be held at the home of Mrs. Sam Elliott on October 14th, when shower articles for the Didsbury Lodge are to be turned in for roll call.

Mrs. Bertha Whyte holds four-year-old Ruthie, left behind by welfare officials after they removed all other children from the home operated by Mrs. Whyte.

## Legionnaires To Hold Golf Tourney

The local branch of the Canadian Legion plan to hold its second golf tournament of the season on Sunday, September 27th.

The draw is as follows:—Chuck Wrightson, Nancy Underhay and Jack Underhay, Nancy Freeman.

Mary Coulter, Tom Patterson and Helen Green, Harvey Gillie, Joyce Mullen, Gordon Green and Art Gooding, Roeta Gillie.

Alex Coulter, Doris Johnson and Frank Kaufman, Arlene Patterson, Charlie Snyder, Marion Hipkin and Thure Johnson, Muriel Cowan.

Mr. Bankier, Marilyn Wilkins and Len Bersehl, Eileen Wilkins.

Players should arrange their own times, remembering that the men drive off the first tee and that air shots do not count. Other members of the Legion or Auxiliary wishing to play should inform Dr. Miller immediately.

Winners of the last month's tournament were:—

Low Score, Harvey Gillie and Muriel Cowan.

High Score, Thure Johnson and Nancy Freeman.

Hidden Hole, Harvey Gillie and Muriel Cowan.

A further prize, kindly presented by Mac's Hardware for the lowest score on no. 9 was won by Frank Kaufman and Eileen Wilkins.

## Hail Suppression Report . . .

(Following is a report from the hail suppression company which is operating from a site west of Didsbury. The project covers portions of the Municipal Districts of Mountain View, Rocky View and Kneehill.)

The week of September 5th to 13th was a period of more normal weather characteristics. Above normal temperatures were beneficial for late maturing crops and for harvest operations. Frost was reported over wide areas of the province but the severity of the damage will not be fully apparent until the crops are harvested.

On Sunday, September 6th, hail fell in two widely scattered districts. Small hail was reported south-west of Airdrie but to date, no reports of damage have been received. Hail was also reported in the Sylvan Lake-Penhold area on Sunday with hail stones up to golf balls in size.

During this period only .05 inches of precipitation was recorded at the Didsbury Hail Suppression Office.

## WEST NOTES

(From Our Own Correspondent)

The Elkhon Willing Workers held their September meeting at the home of Mrs. D. Gillies, with most of the members present. A comforter was quilted for the Red Cross and it is planned to do a crib size one at the next meeting which will be held at the home of Mrs. Glen Evans. The date set for the chicken supper is Friday, November 6th. The final arrangements are to be made at the next meeting. Five dollars was sent to the "Save The Children Fund"; it was also decided to buy a 1-ton of coal for the school.

A miscellaneous shower was held at the home of Mr. and Mrs. Arnold Blain on Saturday afternoon in honor of their daughter, Mrs. Joe Surby, who with her husband is visiting with her parents. The guest of honor was the recipient of many lovely gifts.

Mr. and Mrs. G. Monck of White Rock, B.C. have been visiting their daughter, Mrs. D. Hoesgood for the past week.

Mr. and Mrs. A. L. Hogg visited with Mr. and Mrs. Ray Henry and Mrs. F. Niddie in the Mound district on Sunday. The hail damage in that area was 100% on many farms.

## A Moment With Mons

The September meeting of Mons Chapter I.O.D.E. was held after a moment of silence in memory of a gracious lady, Mrs. Wm. McFarquhar, who passed away in July. Mrs. McFarquhar had been a member of Mons' Chapter since 1935 and was a past regent and held other offices in the chapter. She was a cheerful and willing worker and is sadly missed.

Mons will contribute with the National I.O.D.E. towards the Elkhon fund in the Arctic, setting up a \$20,000 community centre at For-bisher Bay, an eastern arctic community on the south-eastern part of the Baffin Islands.

The I.O.D.E. organization is the first women's organization to undertake such a project that far north.

Miss Vicky Veenstra, won the I.O.D.E. Scholarship in grade 12 last year with an average of 77%. Vicky will attend the university.

## Golf Notes . . .

The Olds Ladies Golf Club have invited the Didsbury Ladies Golf Club to an afternoon of golf on Thursday, September 24th. Tee-off time is at 1 p.m. The local gals are asked to meet at the Didsbury club house at 12:30.

Mr. Sam Moore and Mr. Alf Allen motored six of our young shot-makers to Innisfail on Saturday to play for the Allen Trophy. Most of the lads to date had not played on any other golf course except our local course and while they did not retain the trophy, their scores were very good. It was an eighteen hole competition and before starting out on the second nine, Mr. and Mrs. E. M. Dowell of Innisfail served the boys lunch. The boys were keen and very good sports and Didsbury has every reason to be very proud of them.

## WHO WANTS WHO ???

An interesting town election will take place on Wednesday, October 14th. The mayor and two councilors have served their terms; one or more may enter the race again, and we hear rumors that there are some dark horses in the race. One alderman resigned this week and the croopers say he's going to run for mayor. Could be!

Mons assisted a local needy mother with three small children presenting her with a cheque for thirty dollars.

David Dupont entertained the ladies by showing slides of his trip to the Philippines with the Boy Scout movement. They were very interesting and much enjoyed.

David thanked Mons for their support and contribution for his journey.

The Drowsie Lennox Chapter I.O.D.E. at Innisfail will hold a banquet and social evening on Sept. 23rd at 7:30 p.m. at \$1.50 per plate. Anyone interested phone 84.

## Edmonton Minister To Speak Here

The Rev. W. A. Rumsch, Pastor of Redeemer Lutheran Church, Edmonton, will be guest speaker on Sunday, September 20th at Redeemer Lutheran Church, Didsbury, for the annual Mission Sunday festival.

Pastor Rumsch is a member of the Board of Directors of the Alberta - British Columbia District of the Lutheran Church-Canada, Missouri Synod. He serves as chairman of the Mission committee, and heads the public relations department.

To observe the work of missions, as carried on in the entire world by the Lutheran Church, two services will be held on Sunday, Sept. 20th. The morning service will begin at 10:30. In this service the Lord's injunction for mission work and need will be stressed. In the afternoon, beginning at 2:30, Pastor Rumsch, through the medium of newly prepared set of colored slides, will take the congregation on a tour of the Alberta-British Columbia districts to acquaint them with the vast mission program the church is carrying on right in our own midst.

During the noon hour, a joint dinner will be served to all members and guests in the church basement, where congregation extends a cordial welcome to all its friends in the community to come and worship and also to learn of the church's mission program.

## Town Elections Coming Up...

It's that time again... time to decide who will sit with authority in the town council chambers for the next year or so. The office of mayor and two councillors are open for competition. Nomination day has been set for Wednesday, September 23rd. Voting for the vacant seats will take place on October 14th. Should we have a policy change? Should we remain as is? That's just a couple of questions ratepayers will have to decide. When the final count is made we don't want to hear any beefs about the results, especially from those who didn't cast a ballot. Vote as you like, but please vote!

## Memory Lane... Sportswise...

The many local supporters of the Calgary Stampeder football club have been taking their bumps of late. The Edmonton Eskimos have been the stumbling block in mid-season play; the tears and a few bucks, have been dropping in these parts following the home and home series with the Igloo dwellers. We can remember when the Eks didn't belong on the same field with the Cowboys. Times have changed, but for how long? We'll still go along with the southern entry, even if we have to mortgage this column to pay off our bets.

### LIQUOR ADVERTISING NEEDS A POLICY

Banning of television program sponsored by Sick's Lethbridge Brewery Limited points up the ridiculous situation which exists as far as liquor advertising is concerned, not only in this province, but in the country as a whole. The Lethbridge brewery, as is the case with other breweries, puts out a ginger ale. In the appearance of its labels and of its bottles the ginger ale is similar to the main product of the breweries, beer. In advertising the ginger ale extensively, the breweries are able, indirectly, to advertise their beer. Advertising of beer and liquor is forbidden in Alberta.

In the case of the Lethbridge brewery the objection seems to be based on the fact that the ginger ale is advertised on television. Similar types of advertising are permitted in other media. It is surely strange reasoning to hold that it is all right for the government to sell beer, that it is all right to drink beer and brew beer, but it cannot be advertised as other products are.

Local breweries and local distilleries are at a disadvantage under local laws. National publications printed outside Alberta are able to take beer and liquor advertising and, as they sell copies in Alberta, this advertising for national lines of beer and liquor easily circumvents the local laws. U.S. publications advertise liquor in Canada as do U.S. border television stations.

That makes Alberta law ineffective and a handicap to local industry and local workers. Recently the chairman of provincial liquor boards held a meeting in Quebec and a discussion was held on liquor advertising. From this, at some future date, may come a sensible national policy on liquor advertising. It must be a policy with high ethical standards for liquor is not a product allowed free trade. It requires adult and mature use. The prohibition of liquor is both impractical and unnecessary, but controls designed to prevent it falling into the hands of minors and immature persons are considered essential.

In the case of the Lethbridge brewery and its television program the advertising was quite proper as is most of the ginger ale-type advertising we see in Alberta. The

## CREMONA NEWS

(From Our Own Correspondent)

(Intended For Last Week)  
Mrs. V. L. Wollen from St. John B.C. visited with her brothers, Lee and Elmer Sanderman in Cremona, recently.

Congratulations are extended to Mr. Charles Franklin who celebrated his 80th birthday at his home on Wednesday, September 2nd. A birthday tea was held at the home of Mrs. Van Haften last Saturday, September 5th, in honor of Mrs. J. McBain's 70th birthday. Ladies on the local Sewing Circle presented Mrs. McBain with a subscription to a flower magazine and the Eastern Star ladies with an Eastern Star cup and saucer. Another gift from the family was a bird bath for the many feathered friends she has been caring for. Among the guests at the party were Mrs. J. Rattray, Mrs. J. Watt, Mrs. J. Simpson, Mrs. L. Sanderman, Mrs. B. B. Reid and Mrs. M. Reid. The regular meeting of the W. A. was held at the home of Mrs. D. McBride last Friday.

A shower was held last Wednesday evening at the home of Mrs. T. Tompkins in honor of the newlyweds, Mr. and Mrs. Wilfred Omond.

The sympathy of the district is extended to the Newell family, in the death of Mrs. Newell's father, Mr. Lewis.

A decision was reached at the congregational meeting of the church to build onto the church, a church hall, to the east side of the present Sunday School building. The building committee consists of Mr. L. Bird, Mr. A. Reid, Mr. A. Gano and Mrs. D. McFarquhar. A census will be undertaken this month to raise funds for this needed venture.

A shower for Miss Rosemary Whitlow was held at the home of Mrs. D. Munn last Tuesday afternoon. About fifty ladies turned out to honor the bride-elect.

Alberta Liquor Control Board was undoubtedly oversensitive in this case. Surely, though, it is time to stop the ostrich-head-in-the-sand attitude of various provincial control bodies and established a national policy which is fair to Canadian breweries and distilleries and which recognizes reality.

THE  
Homemaker

By KATHLEEN CARNEY

HOME ECONOMICS TRAINING:  
Training in homemaking is the  
objective of the Home Economics  
Course at the Olds and Vermilion  
Schools of Agriculture but much of  
the training is applicable to num-  
erous forms of employment. Al-  
though there is no attempt to pro-  
vide training for any particular job  
graduates have found employment  
in hospitals, retail stores, banks,  
business offices and dress making  
shops. Others have been engaged  
by such firms as the Singer Sewing  
Machine Company, Canada Packers  
and department stores where their  
special training in particular sub-  
jects of the Home Economics  
Course is highly useful.

Homemaking subjects include  
sewing, clothing selection, textiles,  
cooking, nutrition, handicrafts,  
laundry, home nursing and home  
management. Subjects such as  
horticulture, dairying and poultry  
with special emphasis on relation  
of the subject matter to the home-  
maker's interests are also available.  
Incidental training from living in  
the school dormitory and partici-  
pating in a wide range of student  
activities under staff supervision  
provides valuable social experience  
and promotes confidence.

Some graduates have continued  
for further training in teaching or  
nursing, and in Home Economics

## NOTES FROM

The  
District  
Agriculturist  
HOWARD  
FULCHER

Co-Ral, a systemic insecticide is  
being used for warble control by  
farmers and ranchers. Operators  
should at all times wear protective  
clothing in the form of rubber gloves,  
masks, and overalls that can be  
readily washed following spraying.  
Washing himself thoroughly after  
treatment is a must for the opera-  
tor, to reduce the possibility of ab-  
sorption of the chemical through  
his skin.

The best time to spray is soon  
after the fly season is over, start-  
ing around the middle of Septem-  
ber. Weather permitting, spraying  
can be done from then until the  
middle of December.

If cattle are treated early in the  
spraying season before the hair  
thickens for winter there is easier  
penetration of the chemical, and  
since warmer weather is the pros-  
pect at time there is less danger of  
chilling. No matter when spraying  
is done, a bright day should be  
chosen for the treatment and the  
cattle should be handled gently.  
One pound of Co-Ral 25 per cent  
wettable powder to five gallons of  
water, sprayed at the rate of one  
gallon per adult animal, is the re-  
commendation for cattle. The spray  
must penetrate the hair and wet  
the skin. Only when absorbed  
through the skin into the animal  
system does Co-Ral have the de-  
sired effect. No tonic symptoms  
have been observed where animals  
have been sprayed at recommended  
doses. 4 to 5 months old unweaned  
calves may be treated and allowed  
to return to their mothers. Three  
quarters of a gallon of spray per  
head is used instead of the one gal-  
lon for adults. If weaned calves  
have to be sprayed give them suf-  
ficient time to overcome the strain  
of weaning before spraying.  
Remember don't spray calves un-  
der three months of age, don't  
spray sick animals. Don't spray  
dairy cows that are milking, and  
never treat cattle within sixty days  
of slaughter. Before using Co-Ral  
read the directions carefully and  
follow them closely.

## CHRISTIAN SCIENCE

The vital importance of trust in  
spiritual power and substance will  
be emphasized at Christian Science  
services Sunday.

Bible readings will include this  
verse from (56:4) "In God I will  
praise his word, in God I have put  
my trust; I will not fear what  
flesh can do unto me."

Selections from "Science and  
Health with Key to the Scriptures"  
by Mary Baker Eddy in the seson-  
Sermon entitled "Matter" will in-  
clude the following (278: 29-32):  
"We define matter as error, be-  
cause it is the opposite in life, sub-  
stance, and intelligence. Matter  
with its mortality, cannot be sub-  
stantial if Spirit is substantial and  
eternal."

The Golden Text is also from  
Psalms (81:9, 10): "There shall no  
strange god be in thee; neither  
shalt thou worship any strange  
god. I am the Lord thy God, which  
brought thee out of the land of  
Egypt."

at the University where a certifi-  
cate from the Schools of Agricul-  
ture has assisted in meeting en-  
trance requirements and obtaining  
employment advantages later. It  
should be noted here that the De-  
partment of Education will grant  
to our graduates a total of eighteen  
credits towards a high school di-  
ploma. This means that students  
who properly plan their school pro-  
gram can replace a fourth year in  
high school with a term at the  
School of Agriculture and so obtain  
a high school diploma of gradua-  
tion from a School of Agriculture.  
Full information and application  
forms for the coming term can be  
obtained from The Principal, School  
of Agriculture, at either Olds or

How many members do you need?

Eight girls  
How can you start a club? If  
there are 8 girls between the ages  
of 12 and 21 who are interested in  
the club, contact me and I will  
come out and help you organize.

What does 4-H offer a girl? Pro-  
jects in Clothing, Food, or Home  
Decoration; teaching the girls pro-  
per techniques; conducting business  
meetings, taking executive duties,  
working with others on a group  
project; social and recreational  
program as well as educational.

**DISTRICT NEWS****M.V.B.C. NEWS**

(From Our Own Correspondent)

Mr. and Mrs. Taylor and Mrs. L. Suder were guests at the Corless-Burgess wedding on Saturday afternoon in Calgary.

This coming week Mr. and Mrs. Moyer of St. Catharines, Ontario, will come to campus. These two young people will be in charge of the Music Department for the coming winter. Mrs. Moyer will teach voice and several in town have enquired concerning the possibility of taking lessons. If you want to do so, contact the college some time within the next couple of weeks.

Mrs. L. Suder spent the weekend in Calgary. She will be going to Edmonton with Mr. and Mrs. Taylor. Mr. and Mrs. A. Eby and Miss O. Eby. She will be visiting in that area for several days before returning to the campus again.

Mr. and Mrs. LaVerne Neufeld have moved to May City. They will be pastoring the United Missionary Church there this year. Both of these young people graduated from this college, and Mr. Neufeld finished the course for the Bachelor of Sacred Literature Degree last year. We do wish them every success in their new work.

The young people of the church held a social evening and corn roast at the college last week.

Mr. Arthur Eby of the College staff has been appointed Superintendent of the United Missionary Sunday School in Didsbury. He will take over these duties the beginning of October.

The courses offered in the college this year will allow for consideration work in the music field. Students will be permitted to elect certain music courses in place of specified regular courses. Conducting, Theory, Music Appreciation, Hymn Playing and such like will be offered. Any persons in town wishing to take these music classes should enquire about them as soon as a time table is set up. You may want to be instructed in some of them for use in your own church work.

Agricultural  
Service Board

**TREE PLANTING:** People are still making application for trees in the hope that they will be able to receive them for next spring's planting. I have been informed by Mr. McAlla, Supervisor of Horticulture for Alberta that the supply of rooted poplars, spruce and willows is completely exhausted. There are still some eucalyptus to be had.

The demand for trees is out running the supply so that you will be well advised to place your order soon for the 1961 year. The ground that you have been preparing will do well with an extra year of good summerfallow.

To those of you who have had your orders confirmed for trees for 1960 planting, I have a word for you. Within the next month I will be making a tour of inspection to check on the condition of the ground where you plan to plant trees. It is required that you have done a real thorough summerfallow job and have been successful in eliminating all grass and perennial weed growth. Where this has not

**LIGHT YOUR WAY...****... WITH BIBLE STUDY**

Well, according to all reports, man has sent a projectile to the moon, with unerring accuracy both as to time and location. One is tempted to say: "Man certainly has made great advances in science." Although man has made such great and rapid strides in science, that if our forefathers could return, like Rip van Winkle, they would stand with open mouth and protruding eyes in marvel of all that they could see and hear, yet in one phase of human life, man has not progressed.

Isaiah, mighty Seer of old, wrote of his day: "Darkness shall cover the earth, and gross darkness the people." He was speaking of the spiritual darkness - man walked his own way in the world, rejecting God. Isaiah would have to say the same words of the world today in spite of all scientific advances, man is spiritually still in gross darkness. In spite of round-travelled and world-travelling evangelists, the spiritual condition of the world is daily deteriorating. Fewer people attend church - unless they have been affected by some dire calamity. It is said, that in the United States, there are some 20 million children and youth, between the ages of four and eighteen, that have never been touched by the Church. This not because the church does not want to receive them, but because they and/or their parents refuse all spiritual ministrations. Statistics for our own country are not readily available, but we know they are just as alarming.

Thus, the Savior's command is pertinent today, as in days of yore: "Go ye into all the world, and preach the Gospel to every creature." And the very clear scientific advances are indicative of the truth that we dare not close our eyes to darkness slowly enshrouding the world. Man is relying more upon his astute wisdom and learning. God is slowly being pushed out of the picture.

The girl greeted her boy friend with:

"Notice anything different about me?"

"New shoes?"

"No"

"New skirt?"

"No"

"All right, I give up. What is it?"

"I'm wearing a gas mask".

been done to our satisfaction we may be obligated to cancel your application for trees and have you summer fallow your ground an extra year. I am sure that you would not like this to be done so my advice is simply that you continue to work this ground at regular intervals until freeze-up and put it in top-notch shape for next spring's trees.

### AN ODE TO THE GOOD WIFE

For thirty years the wife and me. Have lived together in peace and harmony. The marriage vows were not made in vain. For we still love each other just the same.

Nothing waits for time or tide, Not even the youth of a blushing bride. Now the silver has come into our hair, And is beginning to show some sign of wear.

Life to us both, has been so kind. In the 30 years we have left behind, We've had no sorrow but lots of joy.

In raising a family of a girl and boys,

If I could live my life all over again, I would not wish to make a change.

For our love has been both strong and true, Ever since the day we said, "I do".

I pray that we both, will live to be, Another 30 years in each others company, And when our time on this earth is done, We'll depart together, just like we begun.

Signed: E. Coombes
